

IN THE CLAIMS

Please amend claim 1.

Please enter the pending claims as follows:

1. (Currently Amended) A structure comprising:
a first set of features disposed entirely within a ~~in the~~ scribeline, said first set of features being a subset of product features; and
a second set of features disposed entirely within said scribeline and adjacent to said first set of features, said second set occupying a smaller area than said first set, said second set being similar to said first set, said second set being distinguishable from surrounding structures.
2. (Original) The structure of claim 1 wherein critical dimension (CD) is measured on said first set of features.
3. (Original) The structure of claim 1 wherein said first set of features and said second set of features differ in spaces between features.
4. (Original) The structure of claim 1 wherein said first set of features and said

second set of features differ in linewidths of features.

5. (Original) The structure of claim 1 wherein said first set of features and said second set of features have the same pitch for features.

6. (Original) The structure of claim 1 wherein said first set of features comprises a first array of holes.

7. (Original) The structure of claim 6 wherein said first array of holes comprises a 5-by-5 square array of holes.

8. (Original) The structure of claim 6 wherein said second set of features comprises a second array of holes.

9. (Original) The structure of claim 8 wherein said second array of holes differs from said first array of holes in size of array.

10. (Original) The structure of claim 8 wherein said second array of holes differs from said first array of holes in space between holes.

11. (Original) The structure of claim 8 wherein said second array of holes differs from said first array of holes in linewidths of holes.
